IBAC Congratulates SRC Aviation - First to Renew IS-BAH Stage 3

Montreal – September 16, 2021 – The International Business Aviation Council (IBAC) commends SRC Aviation, India, for being the first Stage 3 renewal for the International Standard for Business Aircraft Handling (IS-BAH™) program.

Based in New Delhi, India, SRC Aviation was also the first organization in the world to achieve IS-BAH Stage 1 in 2015. SRC Aviation Managing Director, Bobby Chadha, stated, “This recognition from IS-BAH is a reflection of our commitment to the highest global safety standards and to excellence in service.”

IS-BAH Program Director, Terry Yeomans, noted, “It is inspiring to see the resiliency organizations have to implement and maintain a voluntary global standard such as the IS-BAH, especially with all the challenges we have faced in the past 18 months. Congratulations to Bobby and the entire SRC team and thank you for your continued commitment to business aviation safety and support for the IS-BAH Programme.”

IBAC has witnessed 260 ground handling organizations achieve IS-BAH since the standard was first introduced with nine of them currently at Stage 3. For more information go to <https://ibac.org/is-bah> and visit us at NBAA-BACE 2021, 12-14 October in Las Vegas at booth #4168.

About IBAC

IBAC represents the interests of business aviation worldwide. IBAC is a non-profit, international trade association with official observer status at the International Civil Aviation Organization, the UN Specialized Agency for aviation matters, in Montreal, Canada. IBAC promotes and manages the industry-leading standards for best safety practices through its International Standard for Business Aircraft Operations (IS-BAO™); International Standard for Business Aviation Handling (IS-BAH™); Safety Management Tool Kit; SMS eLearning training; and Aircrew Identification Card. Recently introduced in partnership with CTX, the IBAC Carbon Credit Exchange provides the business aviation community a reliable resource for real-time offsetting to reduce its carbon footprint. www.ibac.org

About SRC Aviation

SRC Aviation, a New Delhi based ground handling company, has served the global business aviation industry for forty five years. The company has been repeatedly recognized as a leader in the industry. It was the first (and only) Indian company to receive the IS-BAH safety certification at stages 1,2 and 3. The commitment to excellence starts from its leadership. Managing Director Bobby Chadha prides on the fact that the company never takes any shortcuts and is always ready for any exigency that may arise. “It takes more effort”, he says, “but it’s worth it. Safety and service excellence is not just a mission, it has become the company culture, and it shows in our forty-five year track record and high client retention over this period.” www.srcaviation.com
